VIZSLA ROYALTIES PROVIDES A REMINDER REGARDING EXPIRY OF WARRANTS

Vancouver, British Columbia (November 27, 2024) – Vizsla Royalties Corp. (TSX-V: VROY) (“Vizsla Royalties” or the “Company”) wishes to remind holders of outstanding common share purchase warrants (the “Warrants”) issued on June 24, 2024, that the Warrants will expire at 5:00 p.m. Vancouver time on Friday, December 20, 2024.

As of November 24, 2024, there were 6,670,406 Warrants outstanding. Each Warrant entitles its holder to purchase one (1) common share of Vizsla Royalties at an exercise price of C\$0.50 per share.

Any Warrants not exercised prior to 5:00 p.m. Vancouver time on December 20, 2024, will expire and become void, and the holder will no longer be able to exercise such voided Warrants.

The Warrants, which are publicly listed on the TSX Venture Exchange under the symbol “VROY.WT”, will be delisted at the close of business on December 20, 2024.

Holders of Warrants who wish to exercise their Warrants, should follow the instructions contained in the warrant indenture dated June 24, 2024 between the Company and Computershare Trust Company of Canada (the “**Warrant Agent**”) and must send the required documentation, including duly completed exercise forms, to the Company and to the Warrant Agent by mail or physical delivery at Computershare Trust Company of Canada c/o General Manager, Corporate Trust at 3rd Floor, 510 Burrard Street, Vancouver, BC V6C 3B9.

SPECIAL NOTE REGARDING FORWARD LOOKING STATEMENTS

This news release includes certain “Forward-Looking Statements” within the meaning of the United States Private Securities Litigation Reform Act of 1995 and “forward-looking information” under applicable Canadian securities laws. When used in this news release, the words “anticipate”, “believe”, “estimate”, “expect”, “target”, “plan”, “forecast”, “may”, “would”, “could”, “schedule” and similar words or expressions, identify forward-looking statements or information.

Forward-looking statements and forward-looking information relating to any future mineral production, liquidity, enhanced value and capital markets profile of Vizsla Royalties, future growth potential for Vizsla Royalties and its business, and future exploration plans are based on management’s reasonable assumptions, estimates, expectations, analyses and opinions, which are based on management’s experience and perception of trends, current conditions and expected developments, and other factors that management believes are relevant and reasonable in the circumstances, but which may prove to be incorrect. Assumptions have been made regarding, among other things, the price of silver, gold, and other metals; no escalation in the severity of the COVID-19 pandemic; costs of exploration and development; the estimated costs of development of exploration projects; Vizsla Royalties’ ability to operate in a safe and effective manner and its ability to obtain financing on reasonable terms.

These statements reflect Vizsla Royalties’ respective current views with respect to future events and are necessarily based upon a number of other assumptions and estimates that, while considered reasonable by management, are inherently subject to significant business, economic, competitive, political and social uncertainties and contingencies. Many factors, both known and unknown, could cause actual results, performance, or achievements to be materially different from the results, performance or achievements that are or may be expressed or implied by such forward-looking statements or forward-looking information and Vizsla Royalties has made assumptions and estimates based on or related to many of these factors. Such factors include, without limitation: the Company’s dependence on one mineral project; precious metals price volatility; risks associated with the conduct of the Company’s mining activities in Mexico; regulatory, consent or permitting delays; risks relating to reliance on the Company’s management team and outside contractors; risks regarding mineral resources and reserves; the Company’s inability to obtain insurance to cover all risks, on a commercially reasonable basis or at all; currency fluctuations; risks regarding the failure to generate sufficient cash flow from operations; risks relating to project financing and equity issuances; risks and unknowns inherent in all mining projects, including the inaccuracy of reserves and resources, metallurgical recoveries and capital and operating costs of such projects; contests over title to properties, particularly title to undeveloped properties; laws and regulations governing the environment, health and safety; the ability of the communities in which the Company operates to manage and cope with the implications of COVID-19; the economic and financial implications of COVID-19 to the Company; operating or technical difficulties in connection with mining or development activities; employee relations, labour unrest or unavailability; the Company’s interactions with surrounding communities and artisanal miners; the Company’s ability to successfully integrate acquired assets; the speculative nature of exploration and development, including the risks of diminishing quantities or grades of reserves; stock market volatility; conflicts of interest among certain directors and officers; lack of liquidity for shareholders of the Company; litigation risk; and the factors identified under the caption “Risk Factors” in Vizsla Royalties’ management discussion and analysis. Readers are cautioned against attributing undue certainty to forward-looking statements or forward-looking information. Although Vizsla Royalties has attempted to identify important factors that could cause actual results to differ materially, there may be other factors that cause results not to be anticipated, estimated or intended. Vizsla Royalties does not intend, and does not assume any obligation, to update these forward-looking statements or forward-looking information to reflect changes in assumptions or changes in circumstances or any other events affecting such statements or information, other than as required by applicable law.
